

HA Pools LLC  
10432 Balls Ford Rd  
Suite 300  
Manassas, VA 20109

Dear residents,

To ensure the safety of all patrons, all swimmers under the age of 13, and any other swimmer whom a lifeguard determines they need to demonstrate adequate swimming ability, must successfully complete a swim test administered by a lifeguard before being permitted to enter the deep end of the pool. The swim test will evaluate basic swimming skills, comfort in deep water, and the ability to safely return to the pool edge without assistance. Swimmers who do not pass the swim test will be restricted to the shallow end and other designated areas. Lifeguards have the authority to require a swim test at their discretion, and all decisions regarding swim testing and deep-end access are final and made in the interest of patron safety.
